# Cheval Blanc Randheli takes opulence to a new level with apaiser's sumptuous Haven bath

Elegant, refined and the epitome of island luxury barefoot living, Cheval Blanc Randheli is born from the creativity of celebrated architect Jean-Michel Gathy and features apaiser's popular freestanding Haven stone bath in its exquisite villas.

Cheval Blanc is the luxury hospitality brand developed by LVMH (Louis Vuitton Moët Hennessy) Hotel Management, a specialist entity of the LVMH Group that has taken

opulence to a completely new level. The graphic architecture is complemented by stylish interior design furnished with materials from the Indian Ocean and natural textures – teak, rattan, bamboo, thatch, stone and coconut shell.

Central to the bathing experience and sense of pure indulgence, exemplified by this stunning resort, is apaiser's organic Haven bath.
